On behalf of the festival planning committee, we invite you to participate in the **20th Annual International Spring Festival**. The festival will be held on **April 16, 2011** at North Penn High School from 11:00 AM to 5:00 PM.

The goal of the International Spring Festival is to celebrate the cultural diversity in our community by honoring the traditions of the past. There is no charge for admission to this community sponsored event. Thousands of people attend the festival each year. The festival features food vendors, performances on two stages, over one hundred display tables, a health pavilion, and children's rides. Also, since education is the key to promoting unity, there are many learning activities for children, including tasting food, trying on ethnic costumes, and playing with musical instruments from various cultures. Kids also create ethnic art and win prizes for completing the Passport Program, through which they learn facts about many countries.

Enclosed you will find an application for participation as a displayer/vendor. Please read the application carefully (it may answer many of your questions) and complete the application. Unless you are planning a nationality display without sales, enclose a check for the appropriate fee and mail it with the application to the address below.

Please return your application by March 16, 2011. If you'd like a quick confirmation, email Riham at rimat1@aol.com after sending your application. For more information about the festival, visit our website at <http://www.internationalspringfestival.com>.

The growth and success of this volunteer operated festival relies on the participation of people like you. Please join us in celebrating this 20th anniversary year. We are looking forward to your presence and support.

Sincerely,

Tom Meyer, Festival Co-Coordinator

Riham Halvorsen, Exhibits Coordinator
